

MINOO YAGHOUBI

Web Developer

I am a passionate Web Developer with expertise in HTML, CSS, and JavaScript, and a strong foundation in React, Bootstrap, and Node.js. Proficient in building user-friendly, performance-optimized websites and web applications using the MERN stack (MongoDB, Express, React, Node.js), I employ SEO best practices to enhance visibility.
Additionally, I have experience with WordPress for efficient content management. I am actively seeking a job or internship to apply my skills and gain valuable industry experience in a collaborative environment.
